### Comments:

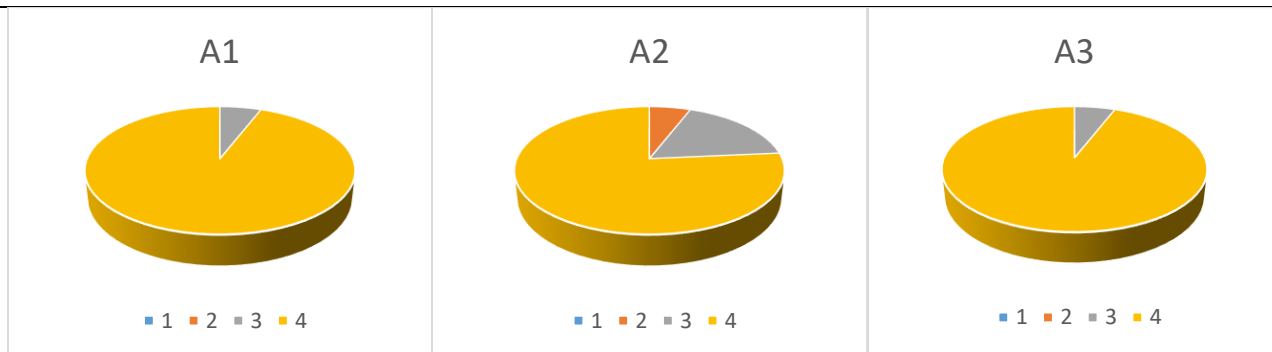

Very well organized

Everything was organized in a way like UoM has years of experience in this program.

Well organized, project seems to be very well planned and documented.

It would be great if changes in the agenda were communicated ASAP. Very nice spot for the meeting.

We should think about to dedicate one PMB meeting to discuss the new curricula and give room for remarks. Best date after some study visits.

**Comments:**

It is still not clear what are the expectation and scheme of some tasks.  
Nameplates or introduction round would be helpful.

The whole program was designed and executed so partner institutions have clear ideas how to contribute and benefit from the project.
